*Living* independently doesn't mean living alone

## A friendly community environment

A sense of community and belonging is essential to a happy and healthy life, yet so is privacy and freedom. At Liberty Retirement Community of Washington Township, we offer the best of both worlds with our assisted living and independent living apartments. Whether you need supportive nursing services or you just want the peace of mind of having them nearby, we can help you strike the balance you need for a healthy and rewarding lifestyle.

As we age, the most important thing we can do for ourselves is plan for our future while living our lives to the fullest. As a Liberty resident, you can rest assured that you can do just that. And we will be with you every step of the way, providing a nurturing environment and a helping and caring hand when you need it.

# Your *Life* Your *Style* Your *Choices*

Life is all about choices. And Liberty offers a spectrum of options to fit your changing needs. We offer the privacy and freedom of home combined with the convenience and security of assistance when needed. At Liberty, **you** decide on the lifestyle that fits you best. We offer companion, nursing and other personalized services to choose from to meet your particular needs.

## Assistance when you need it

Our assisted living community is the perfect alternative for those who can no longer live on their own at home. We focus on your well-being, keeping residents as independent as possible by providing a tailored plan of assistance. We provide beautifully appointed living spaces, meals, social activities, transportation and more. We offer personalized assistance options for those who need help with daily activities such as bathing, dressing or medication reminders. Skilled nursing care is also available. It's the assistance you need with all of the independence you want.

## See what makes us unique

What makes Liberty special? We are a genuine community with a compassionate and professional staff dedicated to our residents. A completed application and a security deposit will start you on your way to experiencing life at Liberty. We encourage you to schedule a tour and see for yourself what makes us unique – and why our residents are proud to call our community “home”.

## We put your independence above everything else

In our independent living community, our residents value comfort and security. And that's what Liberty delivers. With just the right balance of activities, conveniences, independence and support, you can focus on enjoying life and leave the rest to us. We offer a variety of apartment floor-plan options. Should the need arise, our care continuum includes assisted living and skilled nursing care on the same campus.

When I was living alone I felt so lonely. I became a hermit. Now that I'm at Liberty Retirement Community I have friends again – I'm alive!
